

## PRESS RELEASE

### Neways in SmallCap index and celebrates 50th anniversary

**Son (The Netherlands), 23 September 2019** – Neways Electronics International N.V. (Neways) is included in Euronext Amsterdam's SmallCap index (AScX) as of today.

Euronext determined this reweighting earlier this month. The AScX index consists of the 25 listed companies that – in terms of size – make up the number 51-75 companies on the Dutch stock exchange.

The inclusion in the index coincides with Neways' 50th anniversary. On 25 September 2019, Neways will be hosting its annual investor day, where we will also take some time to celebrate this anniversary.

Huib van der Vrande, CEO: "Neways has recorded strong growth over the past few years. In 2018, our turnover exceeded € 500 million for the very first time. We are pleased with our inclusion in the SmallCap index, as this will improve the tradability of our shares. Furthermore, this coincides with the month in which we are celebrating our 50<sup>th</sup> anniversary as an EMS Life Cycle Partner."

**END**

#### ABOUT NEWAYS

Neways Electronics International N.V. (Neways) is an international company active in the EMS (Electronic Manufacturing Services) market. Neways offers its clients custom-made solutions for the complete product life cycle (from product development to after-sales service) of both electronic components and complete (box-built) electronic control systems. Neways operates in a niche of the EMS market and focuses primarily on small to medium-sized specialist series, in which quality, flexibility and time-to-market play a crucial role. Neways products are used in sectors such as the semiconductor, medical, automotive, general industry and defence industries. Neways has operating companies in the Netherlands, Germany, the Czech Republic, Slovakia and China, and the United States with a total of 2,998 employees at 31 December 2018. Neways recorded net turnover of € 506.8 million in 2018. Neways shares are listed on the Euronext Amsterdam stock exchange (symbol: NEWAY).
